Match highlights:

In very windy conditions, our team played a great game. The boys have been working hard over the weeks to develop their open style of play, and during this game, some great passages of handballing out of the packs to a running player was displayed.

Our kicking is also improving with good solid deliveries to team mates. The boys are now starting to look for each other around the ground.

Another great achievement was that we were able to put together some passages of play to send the ball into our forward line against the wind. This takes a lot of skill and hard running to achieve...well done boys !!
