**Match highlights:**

Beaconsfields first quarter saw us kicking with the wind and we managed to obtain the lead at the next change but this was reduced by half time as Cranbourne had the wind behind them in the second quarter. The wind was certainly a 4 goal advantage. After half time the wind had slowed a little and the intensity of both teams lifted and the scoring conversion dropping a little compared to the first half. Both teams played well and unfortunate for us we did not get over the line, Cranbourne played in front of the man well resulting in them being more often first at the ball and a little hungrier for the win. Never the less our team played well and we will bounce back next week with a win.
