#### Match highlights:

It looked like our team was in for another win over Narre North Foxes Black with Beaconsfield leading at the first change by 10 points and looking very strong, but how wrong we were. Narre North had come to play today and revenge the win we took from them at their home ground game earlier in the season and further to maintain their position on the ladder. Beaconsfield's next goal was not kicked until the 4<sup>th</sup> quarter. Our team lacked speed did not seem to have the ability to seek loose players to kick accurately to and did not play in front or stay with their opponent for most of the day. Still credit must go to Narre who looked quite sharp today in all areas of the game. This leaves us with a tougher run to the finals and our boys must win the coming rounds.
