Match highlights:

Today we meet the ladder leaders with just 6 points separating us on the ladder before today. Unfortunately our winning streak came to an end, however did the team not try there hardest, absolutely not. Noble Park played in front of our players just a little better and kicked more direct to loose players. Noble Park were worried about us and after half time came out in the third quarter hard and put our team under some immense pressure which we almost stood up to. Still it was only 16 point's the difference at the final siren and we proved that we do have the goods to match up with them and could beat them next time.

One memorable moment was one of our smaller players Daniel Brown who brought down in a tackle a boy from Noble Park who was at least twice his size or more, well done!

Congratulations to Zac Butler on reaching the milestone of playing 50 games, and to boot he played a ripper 50th.
