Match highlights:

Today's game against Narre South lions the boys hit the ground running, with free flowing fast exiting football with long penetrating kicks forward and with a tight well disciplined back line staying on their man and repelling attacks, the things we practice at training. We started the 2nd quarter in the same fashion but half way through the quarter we started to relax which allowed the lions to get back into the game.

After half time it became a close tight contest with the ball moving up and down the ground and both sides finding it hard to score.

Well done to the boys which played well as a team and keep improving each game.

Congratulations to Hugh Bereen and Alex Mackenzie with 2 boys both kicking their first goal, well done.
