### Match highlights:

This weeks game was against Hampton Park at Hampton Park.

The boys started the game well with the backline staying on their player repelling Hampton Park's attacks, the centre line driving the ball deep into our forward line with long precise kicks and the forwards finishing off the good work with a special mention to Josh P kicking 3 goals for the quarter.

The boys kept going for the rest of the game and showed great wet weather football skills in getting their bodies behind the ball, great desperation when the ball was on the ground and pushing it forward.

With Hampton Park only having 15 players available thank you to our boys who helped fill in each quarter and well done and going for the ball as if you where playing for us and with both of Hampton Parks goals
