Match highlights:

This game marks the half way point for the season and the team today showed how their skills and teamwork have come together. So far this year the team has kicked 54 goals with 15 players each kicking at least one goal. Under wet and cold conditions the team adapted well with the midfield for each quarter continuing to pump the ball back into our forward line as soon as it came out. The speed and marking ability of the team stood out as did our great handpassing.
