

# **Beaconsfield *Junior* Football Club**

## **NO SMOKING & ALCOHOL MANAGEMENT POLICIES**

One of the main purposes of the Beaconsfield Junior Football Club (BJFC) is the promotion of health and well being through playing Australian Football and associated social/recreational activities. The BJFC respects the rights of individuals to make their own choice in relation to the smoking of cigarettes and other tobacco products and the consumption of alcohol based on the following points.

### **SMOKING**

Whilst personal choice is acknowledged, tobacco use and/or exposure to tobacco smoke can be harmful to a persons health. It is therefore the policy of the BJFC that all indoor areas at venues operated by the BJFC are designated as smoke free environments.

Our league does not permit persons officiating at matches to smoke on the playing arena at any time including quarter and three-quarter time intervals. This applies to coaches, team managers, runners, goal and boundary umpires, first aiders/trainers and water carrier persons etc. Offending clubs are liable to a monetary fine.

In the interests of the promotion of good health, the BJFC requests that parents and spectators ideally refrain from smoking at matches or BJFC functions attended by BJFC junior members.

Smoking is not allowed at any BJFC indoor areas and persons breaching this policy will be asked to refrain and if necessary asked to leave the premises. Disciplinary measures including warnings, suspensions, fines and dismissal will be taken against BJFC members, parents or officials, if they fail to reasonably comply with the policy requirements.

To assist the effectiveness of this policy, the following measures will be implemented:

- No-Smoking, signs will be displayed prominently throughout venues.
- No ashtrays will be available inside Club venues. Smokers will be directed to an outside area.
- No tobacco products are to be sold at the canteen or bar.

### **ALCOHOL MANAGEMENT**

The BJFC abides by the directions of our league that does not allow for the sale or consumption of alcohol products at any junior matches or during junior training sessions.

At senior matches the club will abide by an appropriate code of behaviour that complies with liquor licensing laws and acceptable community standards of behaviour.

### **LIQUOR LICENSE - BEACONSFIELD FOOTBALL CLUB**

The liquor license at the Beaconsfield Football Club (seniors) does not allow for the BYO of alcohol. Any person found to be bringing alcohol onto the premises will be evicted. A continuance of this behaviour will result in the person/s being banned from admittance for a period to be determined at the time.
